Vote: Councilman Garruzzo, Gianforte, Gorham, Nolan, Shaak & Visceglia; all ayes. No nays. Passed. (Note: Councilman Garruzzo abstained on items A through I, L and M, Councilmen Gianforte, Nolan and Visceglia abstained on F).

Councilman Visceglia seconded by Councilman Gorham, introduced Resolution 23-59 For Payment of Bills. Be It Resolved that the following bills be paid, and that the Mayor or President of Council be authorized to draw orders on the Chief Finance Officer for payment of the bills of June 12th, 2023, as reviewed by the Finance Committee and as listed on the Resolution and the Computer Bill List amended thereto. Vote: Councilman Garruzzo, Gianforte, Gorham, Nolan, Shaak & Visceglia; all ayes. No nays. Passed.

Mayor Nicol then announced that the time had arrived for a hearing and further consideration of “Bond Ordinance providing for improvements to Borough Hall, appropriating \$500,000 therefor and authorizing the issuance of \$475,000 bonds and notes to finance a portion of the costs thereof, authorized in and for the Borough of Brielle, in the County of Monmouth, New Jersey”.

The hearing was opened on a motion by Councilman Gianforte, seconded by Councilman Gorham.

The Administrator explained that the ordinance provided funding for needed repairs at Borough Hall in conjunction with the completion of the renovations required to ensure ADA Compliance. The Administrator noted that the funds had already been budgeted for capital improvements and the ordinance will not increase the municipal debt.

Mr. George Franklin, 719 Howell Drive, inquired as to the number of outstanding bonds currently held by the Borough. The Administrator advised that the only major debt was in the Utility due to the need to construct two water storage tanks within a year of each other due to the collapse of an existing tank. These loans were held by the NJIT. As to bonds and notes, the Borough adhered to a self-paydown program and only took bond anticipation notes when necessary. This enables the Council to effectively manage current fund debt.

There being no further questions, the hearing was closed on a motion by Councilman Gianforte seconded by Councilman Nolan.

Councilman Garruzzo, seconded by Councilman Nolan introduced Resolution 23-60 for passage on final reading of the foregoing ordinance. Vote: Councilman Garruzzo, Gianforte, Gorham, Nolan, Shaak & Visceglia; all ayes. No nays. Passed.

Councilman Shaak, seconded by Councilman Gianforte, introduced Resolution 23-61 to authorize publication of passage and adoption in the Coast Star in accordance with Local Bond Law. Vote: Councilman Garruzzo, Gianforte, Gorham, Nolan, Shaak & Visceglia; all ayes. No nays. Passed.

Mayor Nicol then appointed Councilman Garruzzo as Chairman for Brielle Day 2023. The Mayor then called for committee reports and recognized Councilman Gianforte who had no report.

Councilman Nolan cited the annual North vs. South competition on June 3rd and noted that it raised \$13,400 split evenly between, to benefit the volunteer fire company and first aid squad. Councilman Nolan also noted that, while Bocce Season had wrapped up, the play-offs were underway.

Councilman Nolan further advised that the Summer Recreation program sign-ups were still in progress, and he also cited the Library’s summer reading challenge and advised of their

numerous programs. Detailed information was available on the web. Councilman Nolan concluded his report by thanking John from the National Parks Service who had held a fishing seminar for over forty children at the Library, an event that was both informative and chaotic.

Councilman Garruzzo advised the public of a May 31st event when Patrolman Brian Dreher responded to the Cardeza Avenue and Harris Avenue area where a report had come in of a swan stuck in fishing line. The swan's wings and legs were so entangled that it was being pulled under water. Patrolman Dreher and the Associated Humane Society personnel were able to reel the swan to shore where Mr. Dreher was able to untangle the swan and preserve its life.

Councilman Shaak cited the recent improvements to 911 Memorial park where many trees and shrubs had perished during last season's lack of rainfall. Thanks to the DPW and the generous donations from John McClung and Frank Jacheo of Site One Landscape & Supply, who provided both trees and shrubs and a new irrigation system to ensure the continued health of the plantings. Councilman Shaak noted that we were all indebted to them for their kind generosity.

Councilman Shaak also noted that Post, Scott, and Club Roads were currently being milled with paving to follow. The project should be completed by early next week.

As a follow-up to an issue raised at the May 22nd meeting, Councilman Shaak announced that a contractor had been contacted and a new storage closet would be provided for the Bayberry Garden Club on the first floor of Curtis House.

Councilman Nolan was recognized, and he thanked the Fire Company and First Aid Squad for their recognition on Saturday of a Brielle Resident who had won gold at the Special Olympics; he thought that it was a fine gesture of support.

Mayor Nicol interjected that the resident would be honored with a plaque at the next meeting on June 26.

Councilmen Gorham and Visceglia having no reports the meeting was open to the public.

Janet Hendricks, 615 Leslie Avenue, cited some flags and piles of dirt still on Green Avenue. She asked if that was being addressed. Councilman Shaak replied that these were punch list items and were being remediated. Ms. Hendricks asked what happened if the contractor failed to complete the work, and had he been paid. The Administrator replied that there was a maintenance bond in place along with retainage to ensure completion.

Ms. Emily Billoti, 339 Magnolia Avenue, voiced a concern over an Airbnb in her neighborhood. She stated that on Memorial Day weekend she had been subjected to loud music and generally obnoxious behavior from the tenants. She also believed that the number of tenants occupying the premises was a fire code violation. The Police had responded, but she had been told that the Borough did not have an ordinance to regulate this type of rental by Officer McCabe.

Ms. Billoti implored the Council to create an ordinance to control or prohibit this type of rental as they were adversely impacting her quality of life.

Attorney Montenegro advised that she should report her concerns to Chris Willms, the Code Enforcement Officer as the area in question was zoned residential and this was a violation of zoning and could be cited.

Councilman Shaak added that at a minimum, a new Certificate of Occupancy should be required for each rental, in particular, if there was overcrowding and a fire hazard. He promised to speak to Code Enforcement to address the issue.

Virginia Lofton, 407 South Street, was recognized and she noted that the area behind the Sports Club was still a mess with piles of debris scattered throughout the area.

Councilman Shaak responded that the former Liquor Store section was under construction being converted for use as a medical facility and that could explain the dumpster and some of the debris, but he would ask Code Enforcement to inspect.

Councilman Shaak also thanked Ms. Lofton and the Bayberry Garden Club for their work on the planters at Borough Hall. He said that he hoped to bring irrigation to that area soon. Ms. Lofton noted that, in the interim, there was access to a hose; it was noted that Constitution Park could also benefit from an irrigation system.

There being no further public comment, Councilman Garruzzo, seconded by Councilman Nolan introduced Resolution 23-62 to enable an Executive Session. (Note: Councilman Shaak left the meeting due to a conflict).

Whereas, the Open Public Meetings Act permits the exclusion of the Public from a meeting in certain circumstances; and Whereas, the Borough Council of the Borough of Brielle is of the opinion that such circumstances currently exist. Now Therefore Be It Resolved, by the Borough Council of the Borough of Brielle, County of Monmouth, State of New Jersey, on June 12th, 2023, as follows:

1. The Public shall be excluded from discussion of and action upon the hereinafter specified subject matters.
2. The general nature of the subject matter to be discussed is as follows:
“Litigation.”.
3. It is anticipated at this time that the above stated subject matters will be made public when the need for confidentiality no longer exists.

Vote: Councilman Garruzzo, Gianforte, Gorham, Nolan & Visceglia; all ayes. No nays. Passed.

The Executive Session began at 7:20 p.m. and ended at 8:22p.m. The session was adjourned on a motion by Councilman Visceglia, seconded by Councilman Garruzzo.

Councilman Garruzzo, seconded by Councilman Gianforte introduced Resolution 23-63 (see insertion) Vote: Councilman Garruzzo, Gianforte, Gorham, Nolan, & Visceglia; all ayes. No nays. Passed.

The meeting was then opened to the public. There being no public comment, the meeting was adjourned at 8:23 p.m. on a motion by Councilman Visceglia, seconded by Councilman Gianforte.
